

Assessment Fee

The assessment fee includes the following services:

- Initial phone contact/s with the family by the Executive Director and the Clinical Director
- Coordination with Administrative Staff for mailing information to prospective client and family
- Review of the completed Referral Form
- Coordination of the intake with the Executive Director and Clinical Director
- Face-to-face interview with the family and the client. Roughly one hour in length to answer family questions and to meet privately with the potential client
- Tour of the SPCSB facility (roughly 15-25 minutes)
- Clinical Director review of potential client case with the SPCSB Medical Director
- Completed written Initial Assessment

Once accepted into the program:

- Assignment, and completion of client intake with Administrative staff, family, assigned Case Manager/Therapist, Program Directors
- Scheduling and meeting with ADTC Program Director with client for assignment to groups
- Scheduling and meeting with Dual Diagnosis Program Director for assignment of groups (if warranted)
- Formal presentation in weekly team meeting for information on client assigned treatment plan and goals
